Help us "Raise the Roof" By "Building a Wall"

There are only a few times when we actually want running water inside of the theatre… for *Singing in the Rain* or perhaps for Nellie in *South Pacific* to wash her hair. Unfortunately for us, an aging roof is allowing rain to encroach on our stage and in our office area on an increasing basis. The answer is, of course, to replace the offending roof. That takes money and so we are off on a fundraiser to secure these funds by "building a wall" of playbills to secure the necessary amount.

What better way to honor someone who has been on our stage than to place the cover of their show's playbill on display. Or, you may have a favorite show that you would like to see highlighted on this wall of playbills. It's a great gift idea and the amount of $250.00 is totally tax deductible!
